

**“Therefore go and make disciples of all nations,
baptizing them in the name of the
Father and of the Son and of the
Holy Spirit and teaching them to obey
everything I have commanded you.
And surely I am with you always, to the very
end of the age.”**

Matthew 28: 19-20

Who We Are

Grace Ministries USA is a non-profit, Christian, non-denominational ministry that seeks common ground to deepen faith in our communities. We are involved in and collaborate closely with local churches, businesses and community groups. We do not replace church. Instead, we complement church involvement. Together, we represent the body of Christ and are fully equipped to achieve His will for us when we join, celebrate and put into practice each of our combined spiritual gifts.

Three Guiding Principles Of Our Mission

Sharing God’s love as a cornerstone to building relationships is the key in bringing the Gospel to life in [our] lives and the lives of those that are touched by our ministry. Everything we seek to accomplish is guided by three key principles: ***Trust God, Love God, and Serve God.*** And by embracing these three principles, we are able to support evangelism and discipleship in the far reaches of our communities.

The Four “C’s” to Achieving Our Mission

Through the Holy Spirit, Grace Ministries USA engages in ***candid, clear, compassionate and compelling*** witness. We reach out to people with the hope of sharing, teaching and influencing hearts through faith and open discussions. Our daily mission is conducted through one-on-one counseling and small group interactions in many locations throughout our region. We start by asking the Holy Spirit to help us actively share God’s love. And with his help, we foster open and honest conversations that can help shed stereotypes and create long term trusting relationships.

Be A Part of Something Great

Being a part of Grace Ministries USA is rewarding. Small study and discussion groups meet weekly in various locations throughout the communities we serve. Experience something more powerful. To get plugged in or find a location closest to you, simply go to graceministriesusa.org.
