Proclaim His Name, Serve His People

Have you heard? Grace Ministries USA is hosting a concealed carry class! The class will be held on August 23rd at the Freedom Gun Club from 8am to 4pm. Please contact Dave Hopkins at 4355398@gmail.com for full details and to register for this event.

In partnership with the Community Cares Group and the Franklin County library, we had the opportunity to love and serve our local community with a "Neighborhood Read and Feed" event held in July. The children and adults were able to check out books on the mobile library van which provided a unique opportunity for meaningful conversation and the ability to love over the children while we read books. We were able to share the gospel, provide a hot meal to the families, pray with them, and provide bags of food to help feed them for the weeks to come. Would you join us in prayer as we hope to continue and grow this ministry to be the hands and feet of Christ in our community?

We're deeply encouraged by the overwhelming response to the "Handful of Rice" program. Just last month, we introduced it through our newsletter and weekly Bible study groups, and we're already seeing the impact it's having in our local community. This new opportunity to feed those in need is truly an answer to prayer. We look forward with anticipation to all that God will do through this ministry in the months ahead. Our prayer is that, as we provide food to families, lives will be touched and transformed for Christ.

We are excited to announce our first golf tournament to be held on September 18th from noon to 5pm at the Wendell Country Club. The proceeds from the event will go to help support homeless children in our local area. There will be a silent auction, various prizes, and a meal will be provided. You can sign up using the QR code on the flyer on page 2 or by visiting graceministriesusa.org under our events tab. Hope to you see you there!

National Night Out is an annual community building event aimed at enhancing relationships between neighbors and first responders, while strengthening community spirit. Grace Ministries is partnering with Faith Baptist and local first responders to host this event on August 8th from 6 to 8 pm at Faith Baptist Church in Youngsville. There will be free food, games for the kids, meet ups with the local police, fire, and EMS heroes, along with a UNC helicopter. Please join us for this exciting event as we aim to serve our community and support our first responders.

Psalm 105:1 "Oh give thanks to the Lord; call upon his name; make known his deeds among the peoples!"

As you pray daily, the psalmist encourages us to give thanks for all He has given us and to call upon His mighty name. We are to tell others about Jesus and all that He has done for us and continues to do in our lives. Be a living, walking testimony, sharing the Good News to everyone.
